IEEE International Conference on Communications ICC2011

The Premier Telecommunications Event for Industry Professionals and Academics from Companies, Governmental Agencies, and Universities around the World.

Themed "Source of Innovation: Back to the Origin," IEEE ICC 2011 covers the entire range of communications technologies, offering in-depth information on the latest developments in voice, data, image, and multimedia.

● TECHNICAL SYMPOSIA

- **Paper Submission is Over (20 September, 2010).**
(Technical Symposia only)
- Technical Symposia focus on technological trends in recent communication research and development from academia to the industrial laboratories throughout the world.
 1. Symposium on Selected Areas in Communications
 - Access Systems and Networks Track
 - Satellite & Space Communication Track
 - e-Health Track
 2. Communication Theory Symposium
 3. Signal Processing for Communications Symposium
 4. Wireless Communications Symposium
 5. Wireless Networking Symposium
 6. Cognitive Radio and Networks Symposium
 7. Optical Networks and Systems Symposium
 8. Next Generation Networking and Internet Symposium
 9. Communications QoS, Reliability and Modeling Symposium
 10. Adhoc, Sensor and Mesh Networking Symposium
 11. Communication Software, Services and Multimedia Applications Symposium
 12. Communication and Information System Security Symposium

● TUTORIAL

- Tutorial Proposal Submission

Proposal Submission Deadline is Over (7 September, 2010).

● EXPO

- Exhibition showcases the latest technologies, applications, and services.
